Golden Acorn and Outstanding Advocate Award Nominations

This is the time of year when we honor our outstanding PTA Volunteers. The Washington State PTA has two prestigious awards that recognize volunteers that go “above and beyond” for our children at Maple Hills:

The **Golden Acorn Award** recognizes and honors a PTA member for promoting the mission of the PTA to be a “powerful voice for all children, a relevant resource for families and communities, and a strong advocate for the well-being and education of every child.”

The **Outstanding Advocate Award** recognizes and honors an individual for continued and dedicated service to children and a demonstrated commitment to helping create strong policies relating to the health, welfare, safety, and education of children. Volunteers who speak for students or who try to change things for the benefit of children are considered advocates. Nominees for this award can be a PTA member, community member, teacher, assistant or administrator.

Please consider nominating a special volunteer today. Nomination Forms are due by **Friday, February 16th**. Please turn in your nomination form at the front office or email our Awards Chairperson, Qiana Didricksen, at vicepresident@maplehillsppta.com.

Thank you for taking the time to acknowledge our wonderful volunteers!
