2018 Maple Hills Eagle Award

Dear Maple Hills Families:

We are so fortunate to have such a dedicated, supportive community here at Maple Hills. Each year we like to take the opportunity to recognize those individuals who make a difference in our students' lives. A vital group of people who are often overlooked but do a great deal to help our school run smoothly and have a positive impact on your child, are our classified staff and volunteers. These support members, **like our custodians, office personnel, paraeducators in the classroom, on the playground and in the lunchroom, kitchen, Eagle Club and health room staff,** work all throughout the building to make Maple Hills a great place to be. Please take a moment to ask your child and/or think about one of these staff members or one of our many volunteers who spend countless hours supporting our building and nominate them for a 2018 Maple Hills Eagle Award. *Please return this form to the front office by Friday, May 18, 2018.*

I would like to nominate _____ for the Maple Hills Eagle Award because he/she has exemplified the tenets of this award in the 2017/2018 school year in the following way:
