

Welcome BACK TO SCHOOL

The Maple Hills PTA Board wants to welcome you to the 2018-2019 school year!

Here's some start-of-the-year information:

Less Flyers: You will be noticing less flyers coming home this year via Kids Mail. In order to make sure you don't miss out on any PTA News/Events/Activities, make sure you sign up for the PTA ENews...go to www.maplehillspata.com, click on "Sign Up For ENews." It's that easy! You can also "like" our Facebook page.

Volunteering: While on the website, please take a moment to show your interest in volunteering. Do you have an artistic streak? How about being an Art Docent or working on the Yearbook? Like to organize parties and events? How about the Fall Dance or Variety Show? To sign up, go to the PTA website at www.maplehillspata.com and click on "Volunteer Opportunities."

Board Positions: Due to some Board Members moving out of district and another joining the school district as an employee, we have a few open Board Positions. Is Communications or social media interesting to you? We have positions for that! How about fundraising, project management, event management? We got that covered too! These are shared positions with lots of flexibility. If you have questions, please email me at president@maplehillspata.com!

Spirit Wear: Spirit Wear will be sold early this year...information will be available soon on the PTA website (www.maplehillspata.com) with an early October deadline for ordering. Remember, if you join the PTA before ordering, you will get a 10% discount.

Yearbook: We will be offering pre-sales of our yearbook (with an early bird discount)...you should see information within the next week. And as with spirit wear, if you join the PTA before ordering, you will get an additional 10% off (on top of the early bird discount)!

Membership: Please don't forget to join the PTA now! Don't delay and miss out on all the benefits listed above (plus all the other discounts and offers available to members)!!

Here's to a great year and please don't hesitate to contact me with any questions or comments!!

Thanks,
Kimberly Maeda
Maple Hills PTA President
