

Maple Hills Elementary Volunteer Tips

At Maple Hills, we LOVE our volunteers! Parent and community volunteers have an important and valuable role in supporting many of the programs and events that take place throughout the year.. Whether you volunteer for one hour or one hundred hours over the year, any help you give is essential to the education of our students and our school community. We appreciate you so much!

Some volunteers may assist in the classroom with instructional or clerical tasks. Others may help shelve books in the library, chaperone field trips, work with the PTA on fundraisers and events, or take-home items to work on. By volunteering, our community assumes a shared approach to education in which parents/guardians, citizens, and community groups work together with our educators. You are a part of our Education Team. Following these helpful tips ensures that your volunteer experience is a rewarding one.
